**2<sup>nd</sup> Request**

Dear Smith Debnam and Jerry T. Myers,

I received your response to my request for validation dated March 11, 2021; however, it was incomplete. You neglected to provide all Original Level Account Documentation including Original Account Agreements in terms of the allege contract. Simply sending me appearing to be a number of allege statements is not sufficient. .

I respectfully request the 2<sup>nd</sup> time that your office provides me with competent evidence that I have any legal obligation to pay you. Please provide me with the following:

1. I request all Original Account Level Documentation.
2. I request all Original Account Agreements.
3. I request validation of the debt, meaning the contractual obligation.
4. I request a wet ink signature of the contractual obligation.
5. I request validation of the debt, to wit, the chain of title to the debt.

If your office is able to provide the proper documentation as requested, I will require at least (30) thirty days to investigate this information.

Yours truly,

Brian D. Green
